

DEF DISPENSING

Continental DEF Dispensing Hose is specifically designed to convey the high-purity, aqueous urea solution DEF. Hose tube compound is specially formulated with low extraction EPDM and peroxide cured to provide superior extraction levels to significantly reduce contamination. Flexible softwall construction provides superior handling in standard dispensing and reeling applications. Static wire available for installation in Class I, Division 1 areas.

Performance + Specs

Tube

- Specially formulated low-extraction EPDM
- Peroxide Cured

Cover

- Specially formulated EPDM

Reinforcement

- Textile braid
- Static wire

Temperature Range

- -40°F / -40°C ~ 140°F / 60°C

Packaging

- Available in 500ft reels.

Coupling

- Contact fitting manufacturer for proper fitting recommendation and coupling procedure.

Branding

Continental DEF Dispensing Hose 3/4" (19.1mm) Made in USA
