

INFINITY™ FOOD

The Continental Infinity™ Food Hose is designed for gravity flow and suction service in transferring dry and liquid edibles from tank trucks and in-plant systems. Featuring a smooth, plasticizer-free lining and exclusive PVC double helix construction, it offers superior flexibility, abrasion resistance, and a low coefficient of friction for easy handling. Ideal for food-grade operations, it meets stringent hygiene standards and is compatible with common cleaning systems and fittings

Performance + Specs

Tube

- Nitrile / PVC Blend
- (FDA / USDA Compliant and Conforms to 3-A Sanitary Standard 18-03)

Cover

- Nitrile / PVC Blend
- Dual PVC outer Helix

Reinforcement

- Spiral-Plied Synthetic Fabric

Temperature Range

- -20°F / -29°C ~ 160°F / 71°C

Design Factor

- 4:1

Packaging

- Coiled & Poly-Wrapped

Coupling

- Refer to the Continental Industrial Hose Assembly Manual for crimp specifications with Insta-lock.
