

LIQUID MUD S&D

Powerful, heavy duty suction & discharge hose designed specifically for the transfer of liquid mud at high pressures. High performance: Safely handles working pressures up to 580 psi with design factor of 4:1. Special color coding for safety: Distinctive Yellow longitudinal stripe reduces the risk of improper application and possible accidents from the use of the wrong hose. The quality of this hose is further enhanced by the tube and cover compounds; renowned for heat, ozone, weathering and oil resistance.
