

Continental 2" Ultrabraid HD Bull Hose 600 PSI WP 300 °F

ULTRABRAID BULL

Ultrabraid Bull Hose is a heavy duty air hose engineered for severe high pressure industrial applications such as service in mines, quarries and construction jobs. Designed to maintain mild oil resistance and durability in high temperature applications up to 302°F with a working pressure of 600 PSI

Performance + Specs

Tube

- CPE (Chlorinated Polyethylene)
- ARPM Class B (Medium Oil Resistance)

Cover

- CPE (Chlorinated Polyethylene)
- ARPM Class B (Medium Oil Resistance)

Reinforcement

- Brass Coated High Tensile Steel Wire Braid

Temperature Range

- -40°F / -40°C ~ 302°F / 150°C

Design Factor

- 4:1

Packaging

- 50ft or 100ft Cut Lengths, Coiled & Stretch
Wrapped in Box

Coupling

- Contact fitting manufacturer for proper fitting recommendation and coupling procedure

Branding

Continental 2" Ultrabraid HD Bull Hose 600 PSI WP 300°F
